The complete application package will be due no later than 12:00 pm Local Time of each Grantee on the due dates above, in accordance with each Grantee’s program year. To ensure timely processing of awards, Grantees must submit complete Applications by the above deadlines.
REGISTRATION/SUBMISSION REQUIREMENTS

Registration Requirements: Allow at least 21 days to complete registrations.

If you haven’t already registered, there are several one-time actions you must complete in order to receive an award under this ALRD:

1. Obtain a Dun and Bradstreet Data Universal Numbering System (DUNS) number at http://fedgov.dnb.com/webform. Subawardees at all tiers must also obtain DUNS numbers and provide the DUNS to the prime awardee before the subaward can be issued. For questions, email govt@dnb.com.

2. Register in the System for Award Management (SAM) at https://www.sam.gov/portal/public/SAM/. Applicants who are not registered with SAM should allow several days to complete this requirement. It is suggested that the process be started as soon as possible. **Prime awardees must update their SAM registration annually.** Also, prime awardees and subrecipients must check the excluded parties listing for their subawards. For questions, call 866-606-8220 or 334-206-7828.

Register in FedConnect to receive and acknowledge your award at https://www.fedconnect.net/. See the Quick Start Guide at https://www.fedconnect.net/FedConnect/Marketing/Documents/FedConnect_Ready_Set_Go.pdf

3. For additional questions, email support@fedconnect.net or call 1-800-899-6665.

Acknowledgement of award documents by the Grantee’s authorized representative through electronic systems used by the Department of Energy, specifically FedConnect, constitutes the Grantee's acceptance of the terms and conditions of the award. Acknowledgement via FedConnect by the Grantee’s authorized representative constitutes the Grantee's electronic signature.

**IMPORTANT:** The electronically signed Assistance Agreement with attached award documents in FedConnect is the formal authorization and approval from the Contracting Officer. **Grantees may not rely on PAGE as the formal authorization and approval.** Award documents in the initial award and any modifications to the award must be reviewed and acknowledged by the Grantee in FedConnect.

4. Have a Login for the Performance and Accountability for Grants in Energy (PAGE) System at https://www.page.energy.gov/default.aspx in order to submit your application. For questions regarding PAGE, refer to the Help Menu in PAGE or contact the PAGE hotline at PAGE-Hotline@ee.doe.gov or 1-866-492-4546.

PART I AUTHORITY

Title IV of the Energy Conservation and Production Act, as amended, authorizes DOE to administer the Low-Income Weatherization Assistance Program (WAP). All grant awards made under this program shall comply with applicable laws and regulations, including but not limited to the regulations contained in 10 CFR 600 and 10 CFR 440 and other policies and procedures as DOE may, from time-to-time, prescribe for the administration of financial assistance.

Please note, that effective December 26, 2014, the DOE Financial Assistance regulations contained in 10 CFR 600 will be superseded by the Financial Assistance regulations contained in 2 CFR 200 (with DOE specific regulations anticipated to be codified in Part 910 of 2 CFR). However, for existing awards, the Financial Assistance regulations at 10 CFR 600 will remain in effect for the duration of the awards. When new awards are issued after December 26, 2014, DOE will require compliance with 2 CFR.

Additionally, under the implementation of the OMB Uniform Guidance for Grants, Uniform Audit Requirements will be effective for non-Federal entity Fiscal Years (FY) which starts on or after December 26, 2014. These audit requirements are currently found in OMB Circular A-133, “Audits of States, Local Governments, and Non-Profit Organizations” and will be replaced by Subpart F-Audit Requirements in 2 CFR Part 200. Hence, these audit requirements will be in effect on all existing awards as of the recipient’s new fiscal year.

PART II AWARD INFORMATION

A. TYPE OF AWARD INSTRUMENT

DOE will award grants for this funding.

B. ESTIMATED FUNDING

Availability of Funds: Funding for all awards and future budget periods is contingent upon the availability of funds appropriated by Congress for the purpose of this program and the availability of future-year budget authority.

The Grantee shall administer DOE funds received under the WAP in accordance with Federal rules and regulations and State policies and procedures. The Grantee is to manage Federal Funds in a prudent, effective and efficient manner to accomplish program objectives. Grantees shall take the necessary steps to ensure that funds are expended within the grant project period.

Funding Level: Please see WPN 15-2, Program Year 2015 Grantee Allocations

C. PERIOD OF PERFORMANCE

This is the third year of a three-year project period started in Fiscal Year 2013, comprised of three budget periods, contingent on availability of funds.
PART III ELIGIBILITY INFORMATION

A. ELIGIBLE APPLICANTS

In accordance with 10 CFR 600.6(b), and DOE Program Rule 10 CFR 440, Weatherization Assistance Program for Low-Income Persons, eligibility for awards are restricted to all fifty states, the District of Columbia, and the U.S. Territories, except in the case of Indian Tribes as stated in 10 CFR 440.11 and local applicants as stated in 10 CFR 440.13.

B. COST MATCHING

Cost matching is not required.

PART IV APPLICATION AND SUBMISSION INFORMATION

A. CONTENT AND FORM OF APPLICATION

The State Plan Application must be submitted via the PAGE online system at https://www.page.energy.gov/default.aspx. Please see the Application Instructions for detailed instructions. It is the responsibility of the Grantee to verify successful transmission. DOE reserves the right to request additional or clarifying information for any reason deemed necessary. Applications will be reviewed for consistency with the WAP program objectives. Please note that tables or spreadsheets shall be submitted as attachments to the SF-424 Application and shall not be pasted within the Annual File, Master File, Budget Comments in PAGE.

PART V AWARD ADMINISTRATION INFORMATION

A. AWARD NOTICES

1. Notice of Award

An Assistance Agreement issued by the Contracting Officer is the authorizing award document. The Assistance Agreement normally includes, either as an attachment or by reference: (1) Special Terms and Conditions; (2) Program regulations 10 CFR 440; (3) Application as approved by DOE; (4) DOE assistance regulations at 10 CFR 600; (5) National Policy Assurances To Be Incorporated As Award Terms; (6) Annual File; (7) Master File; (8) Budget Summary; and (9) Federal Assistance Reporting Checklist, which identifies the Reporting Requirements.

B. FUNDING RESTRICTIONS

Cost Principles. Costs must be allowable, allocable and reasonable in accordance with the applicable Federal cost principles referenced in 10 CFR 600. The cost principles for commercial organizations are in FAR Part 31.

C. REPORTING

Reporting requirements are identified on the Federal Assistance Reporting Checklist, DOE F 4600.2, attached to the award agreement.
D. ADMINISTRATIVE AND NATIONAL POLICY REQUIREMENTS

1. Administrative Requirements

- The administrative requirements for DOE grant awards are contained in:
  - 10 CFR 600 and 10 CFR 440 (See: www.ecfr.gov).
  - 2 CFR, Part 25 – Universal Identifier and Central Contractor Registration

The Electronic Code of Federal Regulations is found at www.ecfr.gov.

2. National Policy Requirements

The National Policy Assurances To Be Incorporated As Award Terms are located at http://energy.gov/management/office-management/operational-management/financial-assistance/financial-assistance-forms.

3. Environmental Review in Accordance with National Environmental Policy Act (NEPA)

EERE’s decision whether and how to distribute federal funds is subject to the National Environmental Policy Act (42 USC 4321, et seq.). NEPA requires Federal agencies to integrate environmental values into their decision-making processes by considering the potential environmental impacts of their proposed actions. For additional background on NEPA, please see DOE’s NEPA website, at http://nepa.energy.gov/.

4. Applicant Representations and Certifications

Applicant Lighting Efficiency Certification (April 2012)

In submitting an application the Applicant certifies that if chosen for award and the award is in excess of $1,000,000 it will, by the end of the Federal Government’s fiscal year, upgrade the efficiency of its facilities by replacing any incandescent lighting of the type for which section 325 of the Energy Policy and Conservation Act (42 USC 6295) establishes a standard that does not meet or exceed the energy efficiency standard for incandescent light bulbs set forth in that section with a lamp that meets or exceeds the standards for lamps established in or pursuant to that section.
Incandescent reflector lamps shall meet or exceed the lamp efficacy standards shown in the table:

<table>
<thead>
<tr>
<th>Rated lamp wattage</th>
<th>Lamp spectrum</th>
<th>Lamp diameter (inches)</th>
<th>Rated voltage</th>
<th>Minimum average lamp efficacy (lm/W)</th>
</tr>
</thead>
<tbody>
<tr>
<td>40–205</td>
<td>Standard Spectrum</td>
<td>&gt;2.5</td>
<td>≥125V</td>
<td>6.8#P0.27</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td>&lt;125V</td>
<td>5.9#P0.27</td>
</tr>
<tr>
<td></td>
<td></td>
<td>≤2.5</td>
<td>≥125V</td>
<td>5.7#P0.27</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td>&lt;125V</td>
<td>5.0#P0.27</td>
</tr>
<tr>
<td>40–205</td>
<td>Modified Spectrum</td>
<td>&gt;2.5</td>
<td>≤125V</td>
<td>5.8#P0.27</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td>&lt;125V</td>
<td>5.0#P0.27</td>
</tr>
<tr>
<td></td>
<td></td>
<td>≤2.5</td>
<td>≥125V</td>
<td>4.9#P0.27</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td>&lt;125V</td>
<td>4.2#P0.27</td>
</tr>
</tbody>
</table>

**Note 1:** P is equal to the rated lamp wattage, in watts.

**Note 2:** Standard Spectrum means any incandescent reflector lamp that does not meet the definition of modified spectrum in 10 CFR 430.2.

Subject to the exemption below, the standards specified in this section shall apply to ER incandescent reflector lamps, BR incandescent reflector lamps, BPAR incandescent reflector lamps, and similar bulb shapes.

Subject to the exemption below, the standards specified in this section shall apply to incandescent reflector lamps with a diameter of more than 2.25 inches, but not more than 2.75 inches.

Exemption: The standards specified in this section shall not apply to the following types of incandescent reflector lamps:

(A) Lamps rated at 50 watts or less that are ER30, BR30, BR40, or ER40 lamps;

(B) Lamps rated at 65 watts that are BR30, BR40, or ER40 lamps; or

(C) R20 incandescent reflector lamps rated 45 watts or less.

For purposes of this Certification, the following definitions apply:

(A) Facilities mean the room(s), area(s), or building(s) that are used to complete a majority of the work under the project.

(B) In excess of $1,000,000 means the total value of the grant including all budget periods funded with Federal funds and recipient cost share is greater than $1,000,000.

(C) Federal Government’s fiscal year begins October 1st and ends September 30th.

(D) Except as provided in subparagraph (4) below, the term “incandescent lamp” means a lamp in which light is produced by a filament heated to incandescence by an electric current, including only the following:

(1) Any lamp (commonly referred to as lower wattage non-reflector general service lamps, including any tungsten-halogen lamp) that has a rated wattage between 30 and 199 watts, has an E26 medium screw base, has a rated voltage or voltage range that lies at least
partially within 115 and 130 volts, and is not a reflector lamp.

(2) Any lamp (commonly referred to as a reflector lamp) which is not colored or designed for rough or vibration service applications, that contains an inner reflective coating on the outer bulb to direct the light, an R, PAR, ER, BR, BPAR, or similar bulb shapes with E26 medium screw bases, a rated voltage or voltage range that lies at least partially within 115 and 130 volts, a diameter which exceeds 2.25 inches, and has a rated wattage that is 40 watts or higher.

(3) Any general service incandescent lamp (commonly referred to as a high- or higher-wattage lamp) that has a rated wattage above 199 watts (above 205 watts for a high wattage reflector lamp).

(4) The term “incandescent lamp” does not include any lamp excluded by the Secretary, by rule, as a result of a determination that standards for such lamp would not result in significant energy savings because such lamp is designed for special applications or has special characteristics not available in reasonably substitutable lamp types.

(E) The term “base” means the portion of the lamp which connects with the socket as described in ANSI C81.61–1990.

(F) The term “bulb shape” means the shape of lamp, especially the glass bulb with designations for bulb shapes found in ANSI C79.1–1980 (R1984).

(G) The term “lamp efficacy” means the lumen output of a lamp divided by its wattage, expressed in lumens per watt (LPW).

(H) The term “lamp wattage” means the total electrical power consumed by a lamp in watts, after the initial seasoning period referenced in the appropriate IES standard test procedure and including, for fluorescent, arc watts plus cathode.

Costs directly associated with complying with this requirement may be considered allowable and allocable in accordance with the applicable cost principles as set forth in 10 CFR 600. Costs associated with complying with this requirement may also be included in the calculation of recipient cost share.

Applicants shall identify the facility (the rooms or areas where the majority of the proposed project work will occur) and, identify and justify the costs associated with upgrading the light bulbs to meet or exceed the energy efficiency standard for incandescent light bulbs set forth in or pursuant to section 325 of the Energy Policy and Conservation Act (42 U.S.C. 6295) prior to the end of the Federal fiscal year.

PART VI QUESTIONS/AGENCY CONTACTS

A. QUESTIONS

Questions and comments concerning this document shall be submitted not later than 10 calendar days prior to the application due date. Questions submitted after that date may not allow sufficient time to respond.
All questions regarding this announcement must be submitted to the contact identified below. Questions regarding the specific application submission must be submitted to the Project Officer for your State. For questions regarding DOE project officer assignments, please contact Michael Peterson at the email address below.

B. AGENCY CONTACT

Name: Michael Peterson, Project Officer
E-Mail: michael.peterson@ee.doe.gov

PART VII OTHER INFORMATION

A. INTERGOVERNMENTAL REVIEW

Program Subject to Executive Order 12372

This program is subject to Executive Order 12372 (Intergovernmental Review of Federal Programs) and the regulations at 10 CFR Part 1005.

One of the objectives of the Executive Order is to foster an intergovernmental partnership and a strengthened federalism. The Executive Order relies on processes developed by State and local governments for coordination and review of proposed Federal financial assistance.

Applicants should contact the appropriate State Single Point of Contact (SPOC) to find out about, and to comply with, the State's process under Executive Order 12372. The names and addresses of the SPOCs are listed on the Web site of the Office of Management and Budget at http://www.whitehouse.gov/omb/grants_spoc/.

B. GOVERNMENT RIGHT TO REJECT OR NEGOTIATE

DOE reserves the right, without qualification, to reject any or all applications received in response to this ALRD and to select any application, in whole or in part, as a basis for negotiation and/or award.

C. COMMITMENT OF PUBLIC FUNDS

The Contracting Officer is the only individual who can make awards or commit the Government to the expenditure of public funds. A commitment by other than the Contracting Officer, either explicit or implied, is invalid.

D. LOBBYING RESTRICTIONS

By accepting funds under this award, you agree that none of the funds obligated on the award shall be expended, directly or indirectly, to influence congressional action on any legislation or appropriation matters pending before Congress, other than to communicate to Members of Congress as described in 18 U.S.C. 1913. This restriction is in addition to those prescribed elsewhere in statute and regulation.

E. MODIFICATIONS
Modifications to this Administrative and Legal Requirements Document will be processed and disseminated in the same manner as other Weatherization Program Notices.

F. PROPRIETARY APPLICATION INFORMATION

DOE will use data and other information contained in applications strictly for evaluation purposes. Applicants should not include confidential, proprietary, or privileged information in their applications unless such information is necessary to convey an understanding of the proposed project.

Applications containing confidential, proprietary, or privileged information must be marked as described below. Failure to comply with these marking requirements may result in the disclosure of the unmarked information under the Freedom of Information Act or otherwise. The U.S. Government is not liable for the disclosure or use of unmarked information, and may use or disclose such information for any purpose.

The cover sheet of the application must be marked as follows and identify the specific pages containing confidential, proprietary, or privileged information:

Please be aware that all information provided to DOE (including confidential proprietary or confidential commercial information) is subject to public release under the Freedom of Information Act (FOIA). (5 U.S.C. § 552(a)(3)(A) (2006), amended by OPEN Government Act of 2007, Pub. L. No. 110-175, 121 Stat. 2524). When a FOIA request covers information submitted to DOE by an applicant, and the cognizant DOE FOIA Officer cannot make an independent determination regarding the public releasability of this information, the cognizant DOE FOIA Officer will contact the submitter and ask for comment regarding the redaction of information under one or more of the nine FOIA exemptions. However, the cognizant DOE FOIA Officer will make the final decision regarding FOIA redactions. Submitters are given a minimum of 7 days to provide redaction comments and if DOE disagrees with the submitter’s comment, DOE will notify the submitter of the intended public release no less than seven (7) days prior to the public disclosure of the information in question.” (10 CFR Part 1004.11).

G. PROTECTED PERSONALLY IDENTIFIABLE INFORMATION

In responding to this Administrative and Legal Requirements Document, Applicants must ensure that Protected Personally Identifiable Information (PII) is not included. PII is defined by the Office of Management and Budget (OMB) and DOE as:

Any information about an individual maintained by an agency, including but not limited to, education, financial transactions, medical history, and criminal or employment history and information that can be used to distinguish or trace an individual’s identity, such as their name, social security number, date and place of birth, mother’s maiden name, biometric records, etc., including any other personal information that is linked or linkable to an individual.

This definition of PII can be further defined as: (1) Public PII and (2) Protected PII.

Public PII: PII found in public sources such as telephone books, public websites, business cards, university listing, etc. Public PII includes first and last name, address, work telephone number, email address, home telephone number, and general education credentials.
Listed below are examples of Protected PII that Applicants must not include.

- Social Security Numbers in any form
- Place of Birth associated with an individual
- Date of Birth associated with an individual
- Mother’s maiden name associated with an individual
- Biometric record associated with an individual
- Fingerprint
- Iris scan
- DNA
- Medical history information associated with an individual
- Medical conditions, including history of disease
- Metric information, e.g. weight, height, blood pressure
- Criminal history associated with an individual
- Employment history and other employment information associated with an individual
- Ratings
- Disciplinary actions
- Performance elements and standards (or work expectations) are PII when they are so intertwined with performance appraisals that their disclosure would reveal an individual’s performance appraisal
- Financial information associated with an individual
- Credit card numbers
- Bank account numbers
- Security clearance history or related information (not including actual clearances held)
