**HUD
Office of
Healthy
Homes and
Lead Hazard
Control**

What is HUD's Approach to Healthy Homes?

- Lead Hazard Control (Grants)
- Asthma and Allergen Reduction (Grants)
- Enforcement of Lead Safe Housing Rules
- Research and Development (Grants)
- Promotion of Best Practices and Support for Local Initiatives

Lead Hazard Control

- **Lead Hazard Control Grants.**
 - **Lead Hazard Reduction Demonstration Grants**
- **Enforcement of Lead Safe Housing Regulations**

Asthma Triggers and Allergen Reduction

- **Healthy Homes Production Grants**
- **Research and Development Technical Studies Grants**

Promotion of Best Practices

- Support for Green and Healthy Homes Initiative
- Support for Healthy Homes Training Programs
- Support for HUD Supported Housing Health Improvements
- Safe and Healthy Homes Initiative Partnerships (NEW!)

What is SHHIP?

The Safe and Healthy Homes Investment Partnership (SHHIP) is a **federal certification** that recognizes local governments and their non-profit partners that are **working together** to provide **citizen centered building based** interventions.

SHHIP Model

SHHIP is based on best practices pioneered by :

- HUD Healthy Homes Demonstration Grantees
- The Green and Healthy Homes Initiative
- The CT Efficiency Healthy Homes Initiative
- the One Touch Healthy Homes Intervention Program

SHHIP Requirements

A SHHIP Requires at least:

1 Local Government

1 Nonprofit Partner

Other Partners as Appropriate

A SHHIP must include partners who work in
Housing Rehabilitation

Energy Efficiency

Healthy Homes

And, where available, include partners from the
National and Local Foundation Community

Other Building Based Disciplines as appropriate
