Lift, Inc. Weatherization Day was held on October 31, 2011 from 2:00p.m to 4:00p.m.

The event began with an invocation by Program Director, Marilyn Davis and welcoming remarks from Executive Director, Dorothy Leasy.

Mrs. Leasy introduced the keynote speaker for the day, Commissioner Brandon Presley.

Commissioner Presley's presentation was centered on ways clients and consumers could lower energy bills by introducing low cost, no cost energy efficient products and services that are available to consumers.

TVA's representative, David Sparks, was present to assist attendees with energy evaluations. Once evaluations were completed, attendees were giving free \$50 weatherization kits to help in reducing energy costs in the home.

Lowe's Home Improvement set up a display and presented door prizes for attendees.

Home Depot also set up display and demonstrated some of the low cost, no cost energy saving products available as well as money saving tips for attendees.

An overview of the Weatherization Program was presented ending with a question and answer session.

# Weatherization Day 2011

## Watch High Utility Bills

*Fall*

### **With The Weatherization Assistance Program (WAP)**

The Department of Energy's Weatherization Assistance Program administered locally through LIFT, INC is a federally funded, low income residential energy conservation program. Priority is given to the elderly, disabled and families with small children.

#### *Weatherization measures may include:*

- Installing insulation
- Sealing air leaks, weather stripping doors and windows
- Repair (or replacing) existing heating systems
- Minor repairs to ensure health/safety

Once installed, these energy saving measures will help to reduce your heating and cooling costs for years to come.

To learn more about the **WEATHERIZATION ASSISTANCE PROGRAM**, call your local **LIFT** office. In Lee County, call **662-842-9511**
