(WEAU) - Is your home ready for the winter months?

Crews demonstrated how to weatherize a home on 82nd Avenue in Eau Claire Thursday to show some of things you can do to keep your home warm and keep your bills down this winter. They made improvements to the attic, furnace, and other parts of the home.

These services are provided for free to income-eligible households in Eau Claire, Buffalo, Trempealeau and Jackson counties.

To see if you're eligible, you can visit Western Dairyland's website. We have a link to their site on our "news links" page.
