Dear Ohio Department of Development Office of Community Services Binegar;

On behalf of the Neighborhood Housing Services Inc. Board of Directors, I invite you to attend a Low-Income Weatherization Assistance Program on-site demonstration at the home of a Lucas County resident.

Local Non-profit Corporations are sponsoring a series of Weatherization site demonstrations around the state this summer and fall. Wednesday 26 2011 at 10 am Weatherization personnel from Neighborhood Housing Services Inc will be demonstrating residential energy conservation diagnostic equipment and techniques at the home of:

Ms. Deborah Leffler
27 Walbridge. Toledo, Ohio 43609

The event will last one hour. The demonstration will illustrate how the Weatherization Program reduces the energy burden on low-income families, particularly the elderly and handicapped by reducing the costs of home energy.

You will be welcomed at this informal event by Executive Director, William Farnsel. After a brief overview of the Weatherization Assistance Program, a crew will demonstrate a typical weatherization measures, including the state-of-the-art diagnostic equipment that is used nationally in the residential housing market. You will see the operations of a proven, cost-effective low-income energy conservation program that helps your constituents.

Others invited to attend include U.S. Senators Sherrod Brown & Robert Portman, Congresswoman Marcy Kaptur, and Congressman Dennis Kunich County Commission President Pete Gerken, Ohio Senators Edna Brown & Mark Wagoner and Ohio State Representatives Barbara Sears Assistant Majority Floor Leader, Representative Mike Ashford, Teresa Fedor and Assistant Minority Leader Matt Szollosi, along with the Reporters from the local media.

Weatherization is an effective public investment and an important program in Lucas County and the City of Toledo. I hope that you will be able to attend the on-site demonstration to see the program in action. If you have any questions please feel free to contact me, Phillip Barbosa, at 419-691-2900.

Sincerely,

Phillip R. Barbosa
