WEATHERIZATION PROGRAM NOTICE 06-2A
EFFECTIVE DATE: January 19, 2005

SUBJECT: PROGRAM YEAR 2006 FINAL STATE ALLOCATIONS

PURPOSE: To provide final State allocations to the States for their preparation and submission of applications for funding of the Low-Income Weatherization Assistance Program (Weatherization) for Program Year (PY) 2006.

SCOPE: The provisions of this guidance apply to all grantees applying for financial assistance under the Department of Energy (DOE) Weatherization Assistance Program.

BACKGROUND: Title IV, Energy Conservation and Production Act (as amended) authorizes the Department of Energy to administer the Low-Income Weatherization Assistance Program. All grant awards made under this program shall comply with applicable law, including regulations contained in 10 CFR Part 440, and other procedures applicable to this regulations as DOE may, from time-to-time, prescribe for the administration of financial assistance.

PROCEDURES: The allocations contained in this notice replace those found in Weatherization Program Notice 06-2, Program Year 2006 State Allocations. The final State allocations included in this guidance are to be used in conjunction with Weatherization Program Notice 06-1, 2006 Grant Guidance, in developing the annual grant application for Program Year 2006. The Weatherization Assistance Program received an appropriation of \$245 million. The attached allocations reflect the PY 2006 funding level in the Energy and Water Development Appropriations Bill signed by the President and reduced by a \$600,000 in earmark and an across the board 1% rescission. Thus, the total Weatherization appropriation for Fiscal Year (FY) 2006 is \$242,550,000. States should develop Program Year 2006 State Plans based on these allocations.
