**U.S. Department of Energy**  
**Weatherization National Recognition Awards Program**  
**(Technical)**

---

The U.S. Department of Energy's Weatherization National Recognition Program serves to identify individuals and organizations at the state or local level who consistently demonstrate Program commitment and, through their initiative, make a significant contribution toward service delivery within the Weatherization network.

Please nominate **an individual or group** you feel should be recognized for contributions to the Weatherization Assistance Program.

Check the box next to each statement that best describes how relevant the information is to the nominee. Note that not all questions may be applicable to every nominee. Then, provide examples to support the rating. For your convenience, additional information can be included on a separate sheet of paper and submitted with the nominating ballot.
