SUBJECT: **Allowable Use of Training Funds for the 2018 HPC National Home Performance Conference and Trade Show**

TO: **Weatherization Assistance Program (WAP) Network**

The HPC National Home Performance Conference and Trade Show is being held April 23-26, 2018, in Philadelphia, PA. The national conference, featuring the nation's top experts in home performance and weatherization combines education components with an excellent networking environment for all sectors of the residential and multifamily energy efficiency industry, to advance the professionalism and impact of DOE Weatherization Assistance Program (WAP).

With its comprehensive agenda, the HPC conference brings energy professionals, and private partners together to share knowledge and best practices related to whole-house weatherization, building technology, energy auditing and diagnostics, health and safety, and management and policy issues. DOE WAP Grantees are encouraged to attend this conference to further their achievement of their training and technical assistance goals.

Attendance at this event is considered an allowable use of training and technical assistance (T&TA) funds by WAP network organizations.
