

## **NASCSP 2019 Winter Training Conference**

### **Organizational Sustainability & Uniform Guidance**

**Monday, February 11<sup>th</sup>**

#### **ORGANIZATIONAL SUSTAINABILITY**

In this challenging era of limited financial resources and heightened expectations for delivery, the financial and administrative health of your organization has never been more important. This program examines methods to increase the financial vitality of non-profit organizations. Examine 20 best practices of planning and aligning organizational operations to strengthen the ability of your organization to deliver results effectively and efficiently. Also, look at real world proven means to enhance your organizations ability to increase revenues and decrease expenses. These proven methods are presented through the seasoned eye of a Chief Financial Officer with over 30 years' experience in non-profit financial management. Now is the time to strengthen administrative systems and enhance financial performance to make sure your non-profit not only survives, but thrives in these tumultuous times.

|                                |                                    |
|--------------------------------|------------------------------------|
| <b>8:00 a.m. – 8:30 a.m.</b>   | Continental Breakfast              |

## **OMB UNIFORM GUIDANCE: Did You Know?**

Understanding the *Uniform Guidance* is essential to effectively manage Federal grants and contracts in non-profit organizations. This deep dive examines the important issues in the guidance beyond just the language in the document. Take a practical look at the challenges and opportunities available to your non-profit organization or sub-recipients in your state through the lens of an experienced Chief Financial Officer familiar with grant funded organizations and state agencies. Some of topics examined include: risk, internal controls, procurement, indirect costs and cost allocation, allowable costs and single audits. Look beyond the requirements of the *Uniform Guidance* and find real world applications afforded to you in the efficient and effective management and oversight of your grant activities.

|                              |                                     |
|------------------------------|-------------------------------------|
| <b>1:45 p.m. – 2:00 p.m.</b> | Sustainability and Systems Approach |
