Community Services Block Grant (CSBG) State Plan Submission Groups

Group A

The following states are required to submit a full submission of the Community Services Block Grant (CSBG) State Plan for the FFY 2020 CSBG State Plan cycle.

A full submission includes the CSBG Eligible Entity Master List, the CSBG State Plan (including the SF-424M and certifications as required by the CSBG statute). The plan will be subject to all requirements of the CSBG Act, including the public hearing requirement. More information can be found in Action Transmittal 2019-05.

Major revisions include, but are not limited to: making a change to the state's plan for usage of funds (Section 7), significant proposed changes to state CSBG policies/procedures (Section 3, Section 10, etc.), and/or revising how the state intends to assess Organizational Standards (Section 6).
