

Tuesday 1:45 – 4:30 pm / Round Robin Discussions  
Robert Garber, Missouri

# Risk Assessments

1. Why should we do a risk assessment?
2. What kinds of things should be included in a risk assessment?
3. Who should have a say in what is to be considered?
4. Where is the cutoff line for high/medium/low risk?
5. What should a high or low risk assessment effect?
