overall monitoring  
experience.

How would you rate  
the overall customer  
service experience?  
(1=poor and  
5=excellent).

Please share any  
comments you might  
have related to the  
overall customer  
service experience.

What was your  
greatest takeaway  
from the monitoring?

What is an example  
of how we exceeded  
your expectations  
during the  
monitoring?

What is an example  
where we did not  
meet your  
expectation during  
the monitoring?

Please share any  
additional comments  
you might have.

How would you  
improve the  
monitoring process?
