

Weatherization Field Specialist

Topeka, KS

KHRC is looking for a Weatherization Field Specialist for the Community Solutions Division. This position will:

- Provide technical support for all levels of the Weatherization Assistance Program.
- Plan and conduct technical field monitoring per program requirements.
- Conduct on site and desk top review of weatherization activities.
- Observe work performed for compliance and assure all work is accomplished which includes accessing attics and crawlspaces.
- Demonstrate knowledge of general home energy efficiency inspection procedures and general building codes.
- Other duties as assigned.

Knowledge, Skills and Experience

High School Diploma or GED and two years of experience in the technical trades or construction. Intermediate computer skills and strong report writing skills are preferred. A combination of education and experience may be accepted as determined relevant by KHRC.

What We Offer

Paid Time Off
Discretionary Day
Paid Holidays
Paid Maternity/ Paternity Leave
Medical, Dental, and Vision Insurance
Retirement Plan
Tuition Assistance
Paid Covered Parking

Resumes will be accepted until Friday, September 4, 2020

KHRC has implemented procedures to minimize the risk of exposure to COVID by practicing social distancing, reduced customer capacity, face mask policy and enhanced cleaning procedures. All interviews are fully remote.
