

FFY 2018 STATE CSBG FACTSHEET | MONTANA

WHO WE SERVE...

For FFY2018:

There were 10 CAAs, serving 76,664 people with low incomes who were living in 40,742 families.

CAAs served 8,255 people who lacked healthcare, 14,049 people who reported having a disability, 13,332 senior citizens, 24,385 children living in poverty, and 2,031 veterans.

From the Montana FFY 2018 Community Services Block Grant

WHAT IS CSBG?

The Community Services Block Grant (CSBG) provides critical funding to Community Action Agencies (CAAs) to operate programs addressing the causes and conditions of poverty under three national goals:

Goal 1 - Individuals and families with low incomes are stable and achieve economic security.

Goal 2 - Communities where people with low incomes live are healthy and offer economic opportunity.

Goal 3 - People with low incomes are engaged and active in building opportunities in communities.

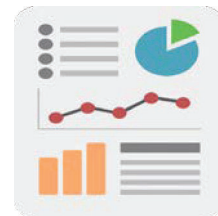

What kinds of RESOURCES do CAAs have?

Montana Community Action Agencies are centrally located to serve their communities. For maximum impact, they partnered with:

- 833 non-profits
- 1,376 for-profits
- 180 faith based organizations
- 177 school districts

Community Action Agencies utilize a Results Oriented Management and Accountability system that is strategically designed to ensure accountability and improve performance management. In FY18 there were 14 ROMA professionals available in the network to help agencies with planning, reporting, data analysis and evaluation.

There were 518,204 hours of volunteer time donated to CAAs in Montana.

Community Action Agencies leverage several other federal, state, local and other private funds.

For every \$1 of CSBG, Montana's CAAs leveraged \$25.05 from federal, state, local and private sources, including the value of volunteer hours.

- \$3,077,010 in CSBG funds were allocated in support of CAAs in Montana in FY18.
- Including, all leveraged funds Montana had \$76,411,929 available to the CAA network to improve the lives of people with low incomes in FY18.

10 CAAs in Montana also operate the Low Income Home Energy Assistance Program (LIHEAP).

10 CAAs in Montana also operate the Weatherization Assistance Program (WAP).

6 CAAs in Montana also operate a Head Start Program.

*Value of Volunteer Hours calculated using federal minimum wage, except in those states with a higher minimum wage.

** Values may not equal total due to rounding

FFY 2018 STATE CSBG FACTSHEET | MONTANA

From the Montana FFY 2018 Community Services Block Grant

Community Action Agencies utilize CSBG funds to address specific local needs through services and programs that address one or more of the core domains in which we work: employment, education and cognitive development, income, infrastructure and asset building, housing, health and social/behavioral development, and civic engagement and community involvement.

EMPLOYMENT

159,444 outcomes were obtained in the employment domain. This includes outcomes such as obtaining and maintaining a job, increasing income, and obtaining benefits.

EDUCATION

184,293 outcomes were obtained in the education and cognitive development domain. This includes outcomes such as improved literacy skills, school readiness, and obtaining additional education and diplomas.

HOUSING

669,696 outcomes were obtained in the housing domain. This includes outcomes such as obtaining and maintaining housing, avoiding eviction or foreclosure, and reducing energy burden.

INCOME

317,780 outcomes were obtained in the income and asset building domain. This includes outcomes such as maintaining a budget, opening a savings account, increasing assets and net worth, and improving financial well-being.

CIVIC ENGAGEMENT

85,215 outcomes were obtained in the civic engagement and community involvement domain. This includes outcomes such as increasing leadership skills, and improving social networks.

HEALTH

313,462 outcomes were obtained in the health and social/behavioral development domain. This includes outcomes such as increasing nutrition skills, improving physical or mental health, and living independently.

This data is marked as preliminary until the release of the FFY18 CSBG Report to Congress. This publication was created by the National Association for State Community Services Programs in the performance of the U.S. Department of Health and Human Services, Administration for Children and Families, Office of Community Services, Grant Number 90ET0468.
