State Office ROMA Professional Peer Group

Agenda

- ROMA Updates
  - Spring 2021 ICEP
  - Recertification
  - Implementer Recertification for State Office Professionals
- ROMA Alliances / Peer Groups
- Top T/TA Needs
  - Review of Topics
    - What do you think about these? What are you seeing?
    - What's the what?
- Open Discussion

Spring ICEP

- **Virtual ICEP Sessions -- April 13, 14, and 15, 2021**

- Spring session to be held in April and Fall session in October of each year.

- Each event will include 3 workshops (2.5 hours each) that will cover current and relevant topics to help improve the knowledge base of the NCRP network. These will include interaction with our national and federal partners, providing opportunities for building relationships with representatives from these important resources.

More details will be provided on the web site at

http://www.roma-nptp.org/icep_registration.html

Registration will be open in mid-February.

REVIEW: Established Elements of Recertification

Activities for all ROMA Professionals:
— Submit annual reports of activities to the National Peer to Peer Programs using the measurement tools noted below
— Participate in In-Service Continuing Education Program (ICEP) offered by ANCRT to assure on-going skills and knowledge.
— Be part of ROMA teams at state, region and the CAA network.

For Trainers:
—Provide at least one full Introduction to ROMA training per year
—Be a ROMA resource for my agency, state, region and the CAA network
— Be an advocate for ROMA implementation

For Implementers:
—Provide input to my agency as it implements the full ROMA Cycle.
—Provide information about ROMA principles and practices to others in the agency to promote a results-orientation throughout the agency.
—Be a resource for my own agency.

Recertification Measurement Tools

Each of the items listed above has specific "tools" to demonstrate that the requirement has been met.

TRAINERS: To document provision of training, go to http://www.roma-nptp.org/training_info.html and enter details of upcoming training. Enter follow up after training.

IMPLEMENTERS: To document agency ROMA implementation, update ROMA Audit and the Impact Pathways Plan each year using the recertification application.

ALL NCRPs will be asked to produce correctly developed logic models and demonstrate other competencies in the recertification application.

Applications for Trainer found at http://www.roma-nptp.org/re-cert_ncrt_application.html
and for Implementer at http://www.roma-nptp.org/re-cert_ncri.html)

Implementer Recertification – State Office Professional Considerations
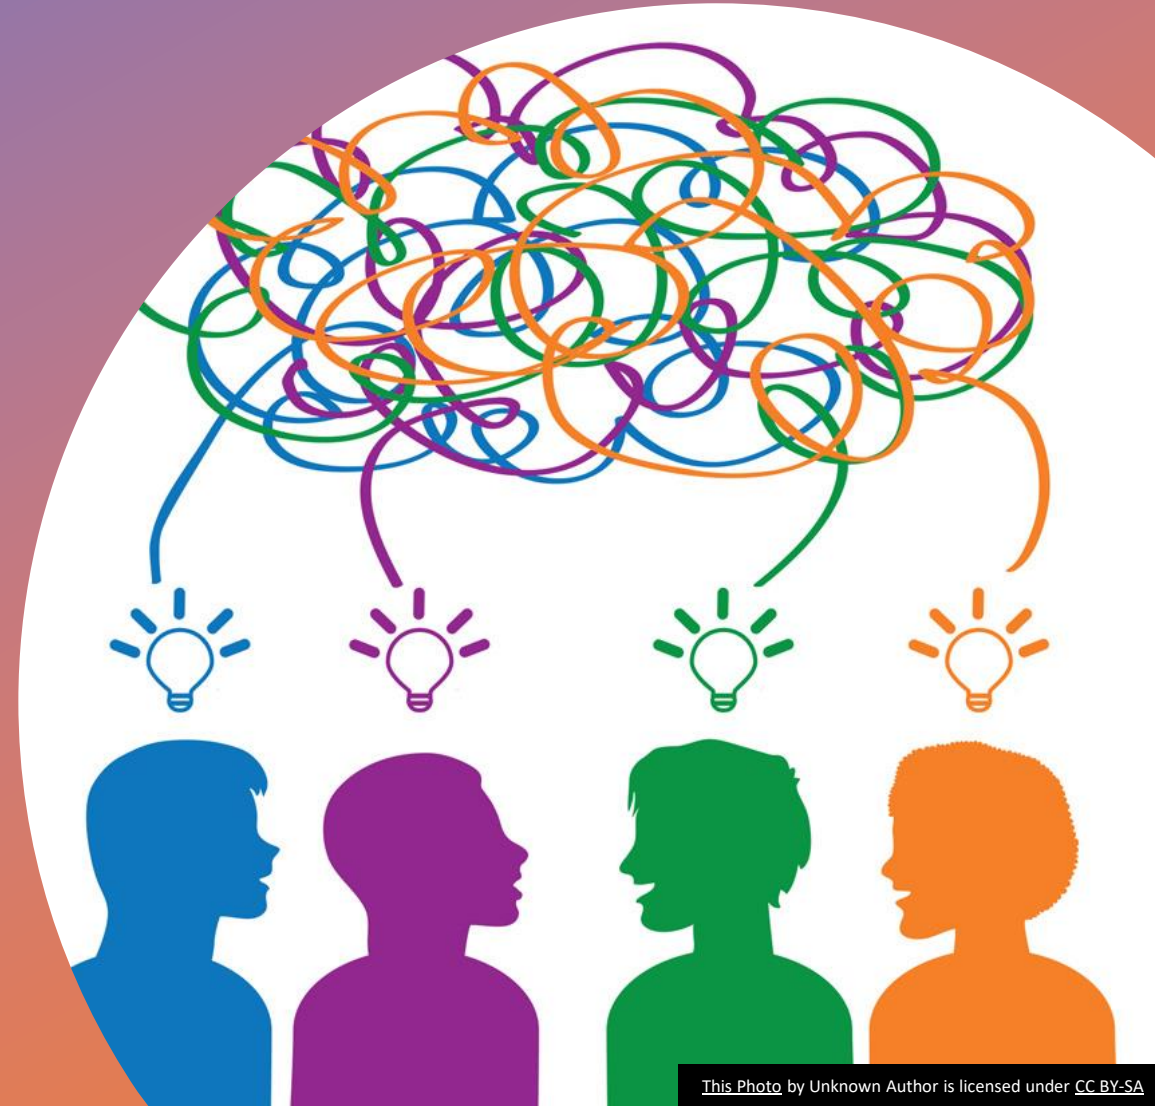

What would be the most meaningful?

- Doing a ROMA Audit of state office processes?
- Working with a local agency?
- Thinking of how to apply to the broader network in the state.
