WAP Memorandum 080

REPLY TO

ATTN OF:  Erica Burrin, Program Manager  
Weatherization Assistance Program, Program Manager

SUBJECT: Allowable Use of Training Funds for 2021 NASCSP Annual Conference

TO: Weatherization Assistance Program Grantees

INTENDED

AUDIENCE: Grantee Program Managers, Grantee Fiscal Monitors, Grantee Technical Monitors

The Department of Energy's (DOE) Weatherization Assistance Program (WAP) strongly encourages all Grantee Managers to attend the 2021 National Association for State Community Service Programs (NASCSPP) Annual Conference, scheduled for September 20 – September 23, 2021. This year, with respect to the health and safety of all involved, NASCSPP is presenting this conference as a virtual event. Live sessions will be offered during the conference week, as well as, several opportunities to network with your peers. The WAP Track of NASCSPP's Annual Training Conference will provide a wealth of information, tools, and resources in the general workshops to enhance and improve Grantee administration and implementation of the Program.

WAP staff from DOE Headquarters in Washington, DC will be presenting a double session entitled "The DOE Federal Perspective." This session will provide updates and insights on current and oncoming WAP activities and will engage the audience in a critical dialogue about issues facing the Program at the state and local levels that should be addressed by the WAP network. Since there is no DOE-sponsored WAP Conferences or Grantee/Subgrantee meetings scheduled for the remainder of 2021, the NASCSPP Annual Conference will provide the best training and information exchange opportunity for WAP Grantee Managers this year.

Please note that costs related to attending the NASCSPP Virtual Conference are allowable as a WAP training and technical assistance expense. We hope that all Grantee WAP Grantee Managers will attend and participate in our national dialogue on operating a more effective WAP.
