

Memorandum

DATE: **December 8, 2021**

WAP Memorandum 083

REPLY TO

ATTN OF: **Erica Burrin, Weatherization Assistance Program, Program Manager**
Weatherization and Intergovernmental Program Office

SUBJECT: **Allowable Use of Training Funds for 2022 National Home Performance Conference**

TO: **Weatherization Assistance Program Grantees, Weatherization Assistance Program Subgrantees**

The Department of Energy's (DOE) Weatherization Assistance Program (WAP) encourages Grantees and Subgrantees to attend the National Home Performance Conference and Trade Show scheduled to take place in Nashville, TN from April 11-14, 2022. The conference offers classroom training to further their achievement of training and technical assistance goals.

The conference brings together energy professionals and industry partners to share knowledge and best practices related to whole-house weatherization, new and innovative technologies, energy auditing, quality assurance and timely topics such as workforce development, energy justice and healthy homes.

In addition to the HPC's traditional collection of high-quality sessions, this year's conference will include a track specifically developed for the WAP network and program and policy updates from DOE WAP staff.

Attendance at this event is an allowable use of DOE WAP Training and Technical Assistance (T&TA) funds. To find out more information about the conference, please visit the event website <https://events.building-performance.org/national/>.

If Grantees have questions regarding the information in this Memorandum, please contact your respective DOE Project Officer.
