

WEATHERIZATION CAREERS <STATE NAME HERE>

Why start a career in weatherization?

- Earn competitive wages while you learn – the cost of your training is covered.
- Paid benefits can include health care, retirement, vacation, and sick leave.
- Choose a career pathway that is technical or administrative, depending on your interest.
- Your skills and experience move with you anywhere in the country. Since 1976, weatherization has grown into a multibillion-dollar industry, with work in every county and state.
- Your work can improve your neighborhood and help the most vulnerable residents by making their homes safer to live in and more energy-efficient.

Do you have a...

- Willingness to learn?
- Positive attitude and strong work ethic?
- Desire to help your community and the environment?

Then a career in weatherization may be a good fit for you!
