WAP Memorandum 102

REPLY TO

ATTN OF: **Derek Schroeder, Weatherization Assistance Program and Innovation Programs, Acting Weatherization Assistance Program Manager, Program Manager for Training and Technical Assistance**

SUBJECT: **2023 BPA National Home Performance Conference and Trade Show**

TO: **Weatherization Assistance Program Grantees**

The 2023 Building Performance Association (BPA) National Home Performance Conference and Trade Show, organized by BPA and sponsored by the US Department of Energy's (DOE) Weatherization Assistance Program (WAP), is being held April 17-20, 2023, in Seattle, Washington. In addition to the BPA's traditional collection of high-quality sessions, this year's conference will include multiple tracks and over 30 sessions specifically developed for the WAP network. DOE WAP staff will be in attendance and DOE is encouraging WAP professionals to attend this exciting and important learning and networking opportunity. Grantees and Subgrantees are encouraged and allowed to utilize DOE WAP Training and Technical Assistance (T&TA) funds to attend the 2023 BPA National Home Performance Conference and Trade Show.

In recognition of DOE's sponsorship, individuals employed by the DOE WAP network are eligible to receive a discounted registration rate.

Register with this code and SAVE \$150 – NATWAP23

Regular Registration: \$995 (Your discounted price = \$845. Offer ends 3/16/2023)

Late Registration: \$1095 (Your discounted price = \$945. Offer begins 3/16/2023 and ends at the start of the conference.)

IMPORTANT: Please note that this code is only to be used by individuals employed by or contracted to DOE WAP. Registrants' employer information will be requested and verified to ensure the appropriate use of this discount. Contractors to WAP agencies must include their company name followed by the name of the WAP agency that employs them in the "company/organization" field on their registration form (e.g., ABC Contracting/LMNOP Community Action Agency).

To find out more information about the conference, please visit the event website <https://building-performance.org/events/national/>.

If you have questions regarding the information in this Memorandum, please contact your DOE Project Officer.
