

FFY 2021 STATE CSBG FACTSHEET | FLORIDA

From Florida's FFY 2021 Community Services Block Grant Annual Report

WHO WE SERVED...

For FFY 2021:

There were 27 CAAs, serving 317,602 people with low incomes who were living in 141,524 families.

CAAs served 58,762 people who lacked healthcare, 27,217 people who reported having a disability, 24,931 senior citizens, 130,047 children living in poverty, and 6,923 veterans and active military persons.

WHAT IS CSBG?

The Community Services Block Grant (CSBG) provides critical funding to Community Action Agencies (CAAs) to operate programs addressing the causes and conditions of poverty under three national goals:

Goal 1 - Individuals and families with low incomes are stable and achieve economic security.

Goal 2 - Communities where people with low incomes live are healthy and offer economic opportunity.

Goal 3 - People with low incomes are engaged and active in building opportunities in communities.

Florida's Community Action Agencies are centrally located to serve their communities. For maximum impact, they partnered with:

- 918 non-profits
- 707 for-profits
- 262 faith-based organizations
- 68 school districts

There were 133,281 hours of volunteer time donated to CAAs in Florida.

What kind of RESOURCES do CAAs have?

Community Action Agencies utilize a Results Oriented Management and Accountability system that is strategically designed to ensure accountability and improve performance management. In FY21, there were 39 ROMA professionals available in the network to help agencies with planning, reporting, data analysis and evaluation.

Community Action Agencies leverage several other federal, state, local, and other private funds.

For every \$1 of CSBG, Florida's CAAs leveraged \$15.63 from federal, state, local, and private sources, including the value of volunteer hours.

- \$42,611,926 in CSBG funds were allocated in support of CAAs in Florida in FY21.
- Including all leveraged funds, Florida had \$707,652,934 available to the CAA network to improve the lives of people with low incomes in FY21.

22 CAAs in Florida also operate the Low Income Home Energy Assistance Program (LIHEAP).

10 CAAs in Florida also operate the Weatherization Assistance Program (WAP).

8 CAAs in Florida also operate a Head Start Program.

*Value of Volunteer Hours calculated using federal minimum wage.
** Values may not equal total due to rounding.

FFY 2021 STATE CSBG FACTSHEET | FLORIDA

From Florida's FFY 2021 Community Services Block Grant Annual Report

Community Action Agencies utilize CSBG funds to address specific local needs through services and programs that address one or more of the core domains in which we work: employment, education and cognitive development, income, infrastructure and asset building, housing, health and social behavioral development, and civic engagement and community involvement.

EMPLOYMENT

3,977 outcomes were obtained in the employment domain. This includes outcomes such as obtaining and maintaining a job, increasing income, and obtaining benefits.

EDUCATION

52,298 outcomes were obtained in the education and cognitive development domain. This includes outcomes such as improved literacy skills, school readiness, and obtaining additional education and diplomas.

HOUSING

29,494 outcomes were obtained in the housing domain. This includes outcomes such as obtaining and maintaining housing, avoiding eviction or foreclosure, and reducing energy burden.

INCOME & ASSETS

2,613 outcomes were obtained in the income and asset building domain. This includes outcomes such as maintaining a budget, opening a savings account, increasing assets and net worth, and improving financial well-being.

HEALTH

31,813 outcomes were obtained in the health and social/behavioral development domain. This includes outcomes such as increasing nutrition skills, improving physical or mental health, and living independently.

CIVIC ENGAGEMENT

5,521 outcomes were obtained in the civic engagement and community involvement domain. This includes outcomes such as increasing leadership skills, and improving social networks.

This data is marked as preliminary until the release of the FFY21 CSBG Report to Congress. This publication was created by the National Association for State Community Services Programs in the performance of the U.S. Department of Health and Human Services, Administration for Children and Families, Office of Community Services, Grant Number 90ET0483.
