

FFY 2021 STATE CSBG FACTSHEET | NEW HAMPSHIRE

From New Hampshire's FFY 2021 Community Services Block Grant Annual Report

WHO WE SERVED...

For FFY 2021:

There were 5 CAAs, serving 102,430 people with low incomes who were living in 42,572 families.

CAAs served 8,730 people who lacked healthcare, 14,579 people who reported having a disability, 13,723 senior citizens, 28,491 children living in poverty, and 838 veterans and active military persons.

WHAT IS CSBG?

The Community Services Block Grant (CSBG) provides critical funding to Community Action Agencies (CAAs) to operate programs addressing the causes and conditions of poverty under three national goals:

- Goal 1** - Individuals and families with low incomes are stable and achieve economic security.
- Goal 2** - Communities where people with low incomes live are healthy and offer economic opportunity.
- Goal 3** - People with low incomes are engaged and active in building opportunities in communities.

New Hampshire's Community Action Agencies are centrally located to serve their communities. For maximum impact, they partnered with:

- 315 non-profits
- 389 for-profits
- 67 faith-based organizations
- 68 school districts

There were 353,931 hours of volunteer time donated to CAAs in New Hampshire.

What kind of RESOURCES do CAAs have?

Community Action Agencies utilize a Results Oriented Management and Accountability system that is strategically designed to ensure accountability and improve performance management. In FY21, there were 8 ROMA professionals available in the network to help agencies with planning, reporting, data analysis and evaluation.

Community Action Agencies leverage several other federal, state, local, and other private funds.

For every \$1 of CSBG, New Hampshire's CAAs leveraged \$42.20 from federal, state, local, and private sources, including the value of volunteer hours.

- \$3,648,157 in CSBG funds were allocated in support of CAAs in New Hampshire in FY21.
- Including all leveraged funds, New Hampshire had \$155,018,959 available to the CAA network to improve the lives of people with low incomes in FY21.

4 CAAs in New Hampshire also operate the Low Income Home Energy Assistance Program (LIHEAP).

4 CAAs in New Hampshire also operate the Weatherization Assistance Program (WAP).

4 CAAs in New Hampshire also operate a Head Start Program.

*Value of Volunteer Hours calculated using federal minimum wage.
** Values may not equal total due to rounding.

Community Action Agencies utilize CSBG funds to address specific local needs through services and programs that address one or more of the core domains in which we work: employment, education and cognitive development, income, infrastructure and asset building, housing, health and social behavioral development, and civic engagement and community involvement.

EMPLOYMENT

813 outcomes were obtained in the employment domain. This includes outcomes such as obtaining and maintaining a job, increasing income, and obtaining benefits.

EDUCATION

3,800 outcomes were obtained in the education and cognitive development domain. This includes outcomes such as improved literacy skills, school readiness, and obtaining additional education and diplomas.

INCOME & ASSETS

1,412 outcomes were obtained in the income and asset building domain. This includes outcomes such as maintaining a budget, opening a savings account, increasing assets and net worth, and improving financial well-being.

HOUSING

34,988 outcomes were obtained in the housing domain. This includes outcomes such as obtaining and maintaining housing, avoiding eviction or foreclosure, and reducing energy burden.

HEALTH

12,308 outcomes were obtained in the health and social/behavioral development domain. This includes outcomes such as increasing nutrition skills, improving physical or mental health, and living independently.

CIVIC ENGAGEMENT

14 outcomes were obtained in the civic engagement and community involvement domain. This includes outcomes such as increasing leadership skills, and improving social networks.

This data is marked as preliminary until the release of the FFY21 CSBG Report to Congress. This publication was created by the National Association for State Community Services Programs in the performance of the U.S. Department of Health and Human Services, Administration for Children and Families, Office of Community Services, Grant Number 90ET0483.
