WHAT IS CSBG?

The Community Services Block Grant (CSBG) provides critical funding to Community Action Agencies (CAAs) to operate programs addressing the causes and conditions of poverty under three national goals:

- Goal 1** - Individuals and families with low incomes are stable and achieve economic security.
- Goal 2** - Communities where people with low incomes live are healthy and offer economic opportunity.
- Goal 3** - People with low incomes are engaged and active in building opportunities in communities.

Nebraska's Community Action Agencies are centrally located to serve their communities. For maximum impact, they partnered with:

- 957 non-profits
- 1,137 for-profits
- 532 faith-based organizations
- 342 school districts

There were 538,098 hours of volunteer time donated to CAAs in Nebraska.

What kind of RESOURCES do CAAs have?

Community Action Agencies utilize a Results Oriented Management and Accountability system that is strategically designed to ensure accountability and improve performance management. In FY19, there were 12 ROMA professionals available in the network to help agencies with planning, reporting, data analysis and evaluation.

Community Action Agencies leverage several other federal, state, local, and other private funds.

For every \$1 of CSBG, Nebraska's CAAs leveraged \$18.26 from federal, state, local, and private sources, including the value of volunteer hours.

*Value of Volunteer Hours calculated using federal minimum wage.
** Values may not equal total due to rounding.

- \$4,555,918 in CSBG funds were allocated in support of CAAs in Nebraska in FY19.
- Including all leveraged funds, Nebraska had \$83,840,716 available to the CAA network to improve the lives of people with low incomes in FY19.
