## WHAT IS CSBG?

The Community Services Block Grant (CSBG) provides critical funding to Community Action Agencies (CAAs) to operate programs addressing the causes and conditions of poverty under three national goals:

- Goal 1** - Individuals and families with low incomes are stable and achieve economic security.
- Goal 2** - Communities where people with low incomes live are healthy and offer economic opportunity.
- Goal 3** - People with low incomes are engaged and active in building opportunities in communities.

New Mexico's Community Action Agencies are centrally located to serve their communities. For maximum impact, they partnered with:

- 462 non-profits
- 445 for-profits
- 197 faith-based organizations
- 73 school districts

There were 231,463 hours of volunteer time donated to CAAs in New Mexico.

## What kind of RESOURCES do CAAs have?

Community Action Agencies utilize a Results Oriented Management and Accountability system that is strategically designed to ensure accountability and improve performance management. In FY19, there was 1 ROMA professional available in the network to help agencies with planning, reporting, data analysis and evaluation.

Community Action Agencies leverage several other federal, state, local, and other private funds.

For every \$1 of CSBG, New Mexico's CAAs leveraged \$11.85 from federal, state, local, and private sources, including the value of volunteer hours.

- \$3,670,697 in CSBG funds were allocated in support of CAAs in New Mexico in FY19.
- Including all leveraged funds, New Mexico had \$45,479,805 available to the CAA network to improve the lives of people with low incomes in FY19.

4 CAAs in New Mexico also operate a Head Start Program.
