Goal 1 - Individuals and families with low incomes are stable and achieve economic security.

Goal 2 - Communities where people with low incomes live are healthy and offer economic opportunity.

Goal 3 - People with low incomes are engaged and active in building opportunities in communities.

Community Action Agencies are centrally located to serve their communities. For maximum impact, they partnered with:

- 46,669 non-profits
- 48,334 for-profits

Community Action Agencies leverage several other federal, state, local, and other private funds.

For every \$1 of CSBG, CAAs leveraged \$13.53 from federal, state, local, and private sources, including the value of volunteer hours.

- \$1,121,079,442 in CSBG funds were allocated in support of CAAs in FY20.
