FFY 2020 STATE CSBG FACTSHEET | NEW MEXICO

From New Mexico's FFY 2020 Community Services Block Grant Annual Report

WHO WE SERVED...

For FFY 2020:

There were 6 CAAs, serving 74,510 people with low incomes who were living in 41,491 families.

CAAs served 2,744 people who lacked healthcare, 2,786 people who reported having a disability, 14,280 senior citizens, 24,747 children living in poverty, and 1,159 veterans and active military persons.

WHAT IS CSBG?

The Community Services Block Grant (CSBG) provides critical funding to Community Action Agencies (CAAs) to operate programs addressing the causes and conditions of poverty under three national goals:

New Mexico's Community Action Agencies are centrally located to serve their communities. For maximum impact, they partnered with:

- 456 non-profits
- 422 for-profits

•

- 181 faith-based organizations
- 60 school districts

There were 163,353 hours of volunteer time donated to CAAs in New Mexico.

opportunities in communities.

Goal 1 - Individuals and families with low incomes are stable and achieve economic security.

Goal 2 - Communities where people

with low incomes live are healthy

and offer economic opportunity.

Goal 3 - People with low incomes

are engaged and active in building

Community Action Agencies utilize a Results Oriented Management and Accountability system that is strategically designed to ensure accountability and

improve performance management. In FY20, there were 1 ROMA professional available in the network to help agencies with planning, reporting, data analysis and evaluation.

-	

Community Action Agencies leverage several other federal, state, local, and other private funds.

For every \$1 of CSBG, New Mexico's CAAs leveraged \$6.13 from federal, state, local, and private sources, including the value of volunteer hours.

*Value of Volunteer Hours calculated using federal minimum wage ** Values may not equal total due to rounding.

- \$7,730,816 in CSBG funds were allocated in support of CAAs in New Mexico in FY20.
- Including all leveraged funds New Mexico had \$53,969,843 available to the CAA network to improve the lives of people with low incomes in FY20.

Mead 4 CAAs in New Mexico also operate a Head Start Start Program.

FFY 2020 STATE CSBG FACTSHEET | NEW MEXICO

From New Mexico's FFY 2020 Community Services Block Grant Annual Report

Community Action Agencies utilize CSBG funds to address specific local needs through services and programs that address one or more of the core domains in which we work: employment, education and cognitive development, income, infrastructure and asset building, housing, health and social behavioral development, and civic engagement and community involvement.

EMPLOYMENT

2,803 outcomes were obtained in the employment domain. This includes outcomes such as obtaining and maintaining a job, increasing income, and obtaining benefits.

EDUCATION

17,556 outcomes were obtained in the education and cognitive development domain. This includes outcomes such as improved literacy skills, school readiness, and obtaining additional education and diplomas.

INCOME & ASSETS

17,920 outcomes were obtained in the income and asset building domain. This includes outcomes such as maintaining a budget, opening a savings account, increasing assets and net worth, and improving financial well-being.

CIVIC ENGAGEMENT

2,449 outcomes were obtained in the civic engagement and community involvement domain. This includes outcomes such as increasing leadership skills, and improving social networks.

HOUSING

3,099 outcomes were obtained in the housing domain. This includes outcomes such as obtaining and maintaining housing, avoiding eviction or foreclosure, and reducing energy burden.

HEALTH

22,907 outcomes were obtained in the health and social/behavioral development domain. This includes outcomes such as increasing nutrition skills, improving physical or mental health, and living independently.
