# FFY 2020 STATE CSBG FACTSHEET | SOUTH CAROLINA

#### WHO WE SERVED...

#### For FFY 2020:

There were 14 CAAs, serving 134,852 people with low incomes who were living in 54,861 families.

CAAs served 21,174 people who lacked healthcare, 20,457 people who reported having a disability, 14,376 senior citizens, 49,145 children living in poverty, and 891 veterans and active military persons.

From South Carolina's FFY 2020 Community Services Block Grant Annual Report

The Community Services Block Grant (CSBG) provides critical funding to Community Action Agencies (CAAs) to operate programs addressing the causes and conditions of poverty under three national goals:

Goal 1 - Individuals and families with low incomes are stable and achieve economic security. Goal 2 - Communities where people with low incomes live are healthy and offer economic opportunity. Goal 3 - People with low incomes are engaged and active in building opportunities in communities.

South Carolina's Community Action Agencies are centrally located to serve their communities. For maximum impact, they partnered with:

- 542 non-profits
- 2,048 for-profits
- 320 faith-based organizations
- 98 school districts

There were 542,627 hours of volunteer time donated to CAAs in South Carolina.

# What kind of RESOURCES

Community Action Agencies utilize a Results Oriented Management and Accountability system that is strategically designed to ensure accountability and

improve performance management. In FY20, there were 40 ROMA professionals available in the network to help agencies with planning, reporting, data analysis and evaluation.

Community Action Agencies leverage several other federal, state, local, and other private funds.

For every \$1 of CSBG, South Carolina's CAAs leveraged \$7.84 from federal, state, local, and private sources, including the value of volunteer hours.

\*Value of Volunteer Hours calculated using federal minimum wage \*\* Values may not equal total due to rounding.

- \$25,663,903 in CSBG funds were allocated in support of CAAs in South Carolina in FY20.
- Including all leveraged funds South Carolina had \$222,899,654 available to the CAA network to improve the lives of people with low incomes in FY20.

13 CAAs in South Carolina also operate the Low Income Home Energy Assistance Program (LIHEAP).

8 CAAs in South Carolina also operate the Weatherization Assistance Program (WAP).

Head 12 CAAs in South Carolina also operate a Head Start Program.

# FFY 2020 STATE CSBG FACTSHEET | SOUTH CAROLINA

From South Carolina's FFY 2020 Community Services Block Grant Annual Report

Community Action Agencies utilize CSBG funds to address specific local needs through services and programs that address one or more of the core domains in which we work: employment, education and cognitive development, income, infrastructure and asset building, housing, health and social behavioral development, and civic engagement and community involvement.

#### **EMPLOYMENT**

1,694 outcomes were obtained in the employment domain. This includes outcomes such as obtaining and maintaining a job, increasing income, and obtaining benefits.

#### **EDUCATION**

40,076 outcomes were obtained in the education and cognitive development domain. This includes outcomes such as improved literacy skills, school readiness, and obtaining additional education and diplomas.

## **INCOME & ASSETS**

3,766 outcomes were obtained in the income and asset building domain. This includes outcomes such as maintaining a budget, opening a savings account, increasing assets and net worth, and improving financial well-being.

### **CIVIC ENGAGEMENT**

2,121 outcomes were obtained in the civic engagement and community involvement domain. This includes outcomes such as increasing leadership skills, and improving social networks.

#### **HOUSING**

10,611 outcomes were obtained in the housing domain. This includes outcomes such as obtaining and maintaining housing, avoiding eviction or foreclosure, and reducing energy burden.

### **HEALTH**

53,183 outcomes were obtained in the health and social/behavioral development domain. This includes outcomes such as increasing nutrition skills, improving physical or mental health, and living independently.
