Goal 1 - Individuals and families with low incomes are stable and achieve economic security.

Goal 2 - Communities where people with low incomes live are healthy and offer economic opportunity.

Goal 3 - People with low incomes are engaged and active in building opportunities in communities.

Utah's Community Action Agencies are centrally located to serve their communities. For maximum impact, they partnered with:

- 159 non-profits
- 369 for-profits
- 63 faith-based organizations
