

Grantee Certification Statement

This form certifies that the WAP Grantee will provide necessary oversight to assess performance of Subgrantees or providers/contractors and take action if issues of noncompliance or poor performance are identified. This certification is assured by the Grantee's signature of this form.

Enter the Grantee name (e.g., The state of [state name], department of [enter department])

certifies that

The WAP Grantee is fulfilling the monitoring and inspection protocol as part of our approved annual Grantee Plan.

Subgrantees proposed for SERC awards have the capacity to successfully implement proposed projects.

Local quality control efforts are in place.

At least 5% of the completed units in the state or territory are inspected by Grantee staff during the course of the Program Year.

Grantee's target date to complete 30% of BIL units:

Grantee's target date to submit a request for final 50% BIL:
