- Goal 1** - Individuals and families with low incomes are stable and achieve economic security.
- Goal 2** - Communities where people with low incomes live are healthy and offer economic opportunity.
- Goal 3** - People with low incomes are engaged and active in building opportunities in communities.

Illinois' Community Action Agencies are centrally located to serve their communities. For maximum impact, they partnered with:

- 2,148 non-profits
- 1,327 for-profits
