FFY 2021 STATE CSBG FACTSHEET | INDIANA

WHO WE SERVED...

For FFY 2021:

There were 22 CAAs, serving 256,824 people with low incomes who were living in 130,172 families.

CAAs served 25.876 people who lacked healthcare, 50,769 people who reported having a disability, 43,655 senior citizens, 90,552 children living in poverty, and 5,628 veterans and active military persons.

WHAT IS CSBG?

The Community Services Block Grant (CSBG) provides critical funding to Community Action Agencies (CAAs) to operate programs addressing the causes and conditions of poverty under three national goals:

Indiana's Community Action Agencies are centrally located to serve their communities. For maximum impact, they partnered with:

- 1,420 non-profits
- 2,420 for-profits
- 565 faith-based organizations
- 250 school districts

There were 433,174 hours of volunteer time donated to CAAs in Indiana.

opportunities in communities.

Goal 1 - Individuals and families with low incomes are stable and achieve economic security.

Goal 2 - Communities where people

with low incomes live are healthy

and offer economic opportunity.

Goal 3 - People with low incomes

are engaged and active in building

Community Action Agencies utilize a Results Oriented Management and Accountability system that is strategically designed to ensure accountability and

improve performance management. In FY21, there were 8 ROMA professionals available in the network to help agencies with planning, reporting, data analysis and evaluation.

:	C

Community Action Agencies leverage several other federal, state, local, and other private funds.

For every \$1 of CSBG, Indiana's CAAs leveraged \$13.46 from federal, state, local, and private sources, including the value of volunteer hours.

** Values may not equal total due to rounding.

- \$15,512,180 in CSBG funds were allocated in support of CAAs in Indiana in FY21.
- Including all leveraged funds Indiana had \$280,890,047 available to the CAA network to improve the lives of people with low incomes in FY21.

18 CAAs in Indiana also operate the Low Income Home Energy Assistance Program (LI-HEAP).

18 CAAs in Indiana also operate the Weatherization Assistance Program (WAP).

15 CAAs in Indiana also operate a Head Start Program.

FFY 2021 STATE CSBG FACTSHEET | INDIANA

From Indiana's FFY 2021 Community Services Block Grant Annual Report

Community Action Agencies utilize CSBG funds to address specific local needs through services and programs that address one or more of the core domains in which we work: employment, education and cognitive development, income, infrastructure and asset building, housing, health and social behavioral development, and civic engagement and community involvement.

EMPLOYMENT

3,858 outcomes were obtained in the employment domain. This includes outcomes such as obtaining and maintaining a job, increasing income, and obtaining benefits.

EDUCATION

94,929 outcomes were obtained in the education and cognitive development domain. This includes outcomes such as improved literacy skills, school readiness, and obtaining additional education and diplomas.

INCOME & ASSETS

19,413 outcomes were obtained in the income and asset building domain. This includes outcomes such as maintaining a budget, opening a savings account, increasing assets and net worth, and improving financial well-being.

CIVIC ENGAGEMENT

22,778 outcomes were obtained in the civic engagement and community involvement domain. This includes outcomes such as increasing leadership skills, and improving social networks.

HOUSING

356,445 outcomes were obtained in the housing domain. This includes outcomes such as obtaining and maintaining housing, avoiding eviction or foreclosure, and reducing energy burden.

HEALTH

437,102 outcomes were obtained in the health and social/behavioral development domain. This includes outcomes such as increasing nutrition skills, improving physical or mental health, and living independently.
