

FFY 2021 STATE CSBG FACTSHEET | OHIO

From Ohio's FFY 2021 Community Services Block Grant Annual Report

WHO WE SERVED...

For FFY 2021:

There were 48 CAAs, serving 426,703 people with low incomes who were living in 203,893 families.

CAAs served 24,046 people who lacked healthcare, 105,617 people who reported having a disability, 54,849 senior citizens, 150,982 children living in poverty, and 8,610 veterans and active military persons.

WHAT IS CSBG?

The Community Services Block Grant (CSBG) provides critical funding to Community Action Agencies (CAAs) to operate programs addressing the causes and conditions of poverty under three national goals:

- Goal 1** - Individuals and families with low incomes are stable and achieve economic security.
- Goal 2** - Communities where people with low incomes live are healthy and offer economic opportunity.
- Goal 3** - People with low incomes are engaged and active in building opportunities in communities.

Ohio's Community Action Agencies are centrally located to serve their communities. For maximum impact, they partnered with:

- 1,737 non-profits
- 1,518 for-profits
- 512 faith-based organizations
- 436 school districts

There were 1,077,908 hours of volunteer time donated to CAAs in Ohio.

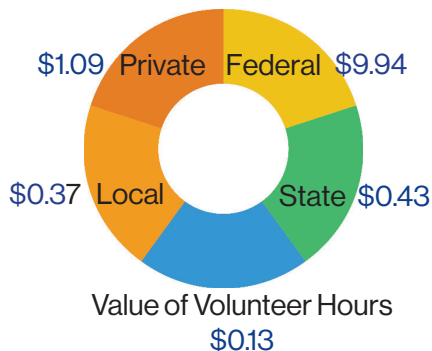

What kind of RESOURCES do CAAs have?

Community Action Agencies utilize a Results Oriented Management and Accountability system that is strategically designed to ensure accountability and improve performance management. In FY21, there were 17 ROMA professionals available in the network to help agencies with planning, reporting, data analysis and evaluation.

Community Action Agencies leverage several other federal, state, local, and other private funds.

For every \$1 of CSBG, Ohio's CAAs leveraged \$11.95 from federal, state, local, and private sources, including the value of volunteer hours.

- \$59,068,847 in CSBG funds were allocated in support of CAAs in Ohio in FY21.
- Including all leveraged funds Ohio had \$765,009,667 available to the CAA network to improve the lives of people with low incomes in FY21.

47 CAAs in Ohio also operate the Low Income Home Energy Assistance Program (LIHEAP).

35 CAAs in Ohio also operate the Weatherization Assistance Program (WAP).

33 CAAs in Ohio also operate a Head Start Program.

*Value of Volunteer Hours calculated using federal minimum wage.
** Values may not equal total due to rounding.

Community Action Agencies utilize CSBG funds to address specific local needs through services and programs that address one or more of the core domains in which we work: employment, education and cognitive development, income, infrastructure and asset building, housing, health and social behavioral development, and civic engagement and community involvement.

EMPLOYMENT

1,999 outcomes were obtained in the employment domain. This includes outcomes such as obtaining and maintaining a job, increasing income, and obtaining benefits.

EDUCATION

18,454 outcomes were obtained in the education and cognitive development domain. This includes outcomes such as improved literacy skills, school readiness, and obtaining additional education and diplomas.

INCOME & ASSETS

7,132 outcomes were obtained in the income and asset building domain. This includes outcomes such as maintaining a budget, opening a savings account, increasing assets and net worth, and improving financial well-being.

CIVIC ENGAGEMENT

5,671 outcomes were obtained in the civic engagement and community involvement domain. This includes outcomes such as increasing leadership skills, and improving social networks.

HOUSING

304,322 outcomes were obtained in the housing domain. This includes outcomes such as obtaining and maintaining housing, avoiding eviction or foreclosure, and reducing energy burden.

HEALTH

250,162 outcomes were obtained in the health and social/behavioral development domain. This includes outcomes such as increasing nutrition skills, improving physical or mental health, and living independently.
