Washington, DC 20585

WEATHERIZATION PROGRAM NOTICE 24-2

ISSUED DATE: April 10, 2024

SUBJECT: PROGRAM YEAR (PY) 2024 GRANTEE ALLOCATIONS

APPLICABLE TO: Annual Formula Grants

INTENDED AUDIENCE: Weatherization Grantee Program Managers, Weatherization Subgrantee Program Managers

PURPOSE: To provide Grantee allocations for the preparation and submission of applications for funding of the Weatherization Assistance Program (WAP) for Program Year 2024.

SCOPE: The provisions of this guidance apply to all Grantees applying for financial assistance under the Department of Energy (DOE) WAP.

LEGAL AUTHORITY: Title IV, Energy Conservation and Production Act, as amended, authorizes DOE to administer the WAP (42 U.S.C. § 6861 *et seq.*). All grant awards made under this program shall comply with applicable law and regulations including the WAP Regulations contained in [10 CFR Part 440](#).

PROCEDURES: On March 9, 2024, President Biden signed H.R. 4366, the Consolidated Appropriations Act, 2024, which provides Fiscal Year (FY) 2024 full-year appropriations through September 30, 2024. Under this Act, WAP was appropriated \$326,000,000. At this appropriation level:

- Public Law 116-260 signed December 27, 2020, directed DOE to establish a competitive program for “WAP Enhancement and Innovation” (E&I) based on meeting specific appropriation levels. E&I competitive grants will be funded from FY 2024 appropriation at \$19,560,000.
- The Energy Independence and Security Act of 2007 (EISA), Title IV, Section 411(b) (Pub. L. 110–140, title IV, §411(b), 121 Stat. 1600), signed December 19, 2007, authorizes the Secretary of Energy to make funding available for Sustainable Energy Resources for Consumers (SERC) Grants. DOE’s Secretary may elect to use up to two (2) percent of the amount of funds made available for SERC grants when WAP appropriated funds exceed \$275 million. This provision authorizes local weatherization

providers to expand the Program for “*materials, benefits, and renewable and domestic energy technologies not currently covered.*” SERC grants will be funded from FY 2024 appropriation at \$6,520,000.

DOE will communicate information on E&I and SERC funding opportunities and application processes under separate memorandums.

Additional actions within the Consolidation Appropriations Act of 2024 includes \$10,000,000 to be used for Headquarters Training & Technical Assistance (T&TA) and \$30,000,000 is authorized for Weatherization Readiness Funds (WRF).

The final Grantee allocations included in this Notice are to be used in conjunction with [WPN 24-1: Program Year 2024 Weatherization Grant Application](#), with its two attachments:

1) Administrative and Legal Requirements Document; and 2) Application Instructions, in developing the annual grant application for PY 2024.

David Gipson
WAP Deputy Director
Office of State and Community Energy Programs

Weatherization Assistance Program**Estimated FY 2024 Grantee Allocations @ \$298,920,000 plus \$30,000,000 WRF**

State	FY 2024 Program Allocation	FY 2024 T&TA Allocation	FY 2024 Total Allocation	FY 2024 Readiness Fund

Wyoming (adjusted)	\$1,033,404	\$253,203	\$1,286,607	\$158,317
			HQ T&TA	\$10,000,000
			Innovation	\$19,560,000
			SERC	\$6,520,000

Note: The proposed FY 2024 appropriation is above the threshold that triggers changes to the allocation formula mandated by the interim final rule published on June 5, 1995, in the Federal Register, Volume 60, No. 107, Pages 29469-29481. The final rule published on March 25, 2009, amended the base allocation in Federal Register, Volume 74, No. 56, Pages 12535-12540 to include 5 U.S. territories.
