

NASCSP 2024 Annual Training Conference

Climate Summit Agenda

September 17, 2024

Tuesday, September 17th

8:00 a.m. – 9:00 a.m.

Continental Breakfast

9:15 a.m. – 10:30 a.m.

The Changing Climate and Weatherization

Prepare to uncover the science behind climate change and its direct impact on weatherization work! Join NASCSP and the National Renewable Energy Laboratory as we delve into the fascinating world of climate science. We'll explore the facts, dissect the data, and connect the dots between climate change and the crucial role of weatherization.

Presenters: **Allison Moe**, *Project Manager III-Research*, **Juliana Williams**, *Weatherization Lead, National Renewable Energy Laboratory*

10:30 a.m. – 11:00 am.

Networking Break

11:00 a.m. – 12:15 a.m.

Hearing from the Field: A Fireside Chat

In this session, we will talk to our CSBG friends about partnering in response to weather-related disasters. We will hear from more partners about climate impacts on field operations and discuss revamping state plans for maximum flexibility.

Presenter: **Kendra Baldwin**, *Senior Associate, Weatherization Climate Engagement, National Community Action Partnership*; **Karl Hoffman**, *CSBG Program Manager, Washington State Department of Commerce*; **Peter Kilde**, *Executive Director, West Central Wisconsin Community Action Agency*

12:15 p.m. – 1:15 p.m.

Lunch

1:30 p.m. – 2:45 p.m.

Current Responses to Climate-Related Disasters: A Panel Conversation

Join our panel of states and partners already working to curb the effects of climate change. Whether you're curious about tackling electrification, solar, or workforce development, there's something for everyone!

Presenters: **Troy Cucchiara**, *Green Initiatives Manager, New Mexico Mortgage Finance Authority*; **Ariel Drehabl**, *Management and Program Analyst, Solar Energy and Technologies Office, U.S. Department of Energy*; **Stephanie Insinna-Sahondo**, *WAP Director, Colorado Energy Office*; **Brent Kossick**, *Director, Climate and Workforce, Service Year Alliance*; **Keli Reynolds**, *Assistant Director, Single Family Programs, Kentucky Housing Corporation*

2:45 p.m. – 3:15 p.m.

Networking Break

3:15 p.m. – 4:30 p.m.

Moving Forward Together

Join us for a dynamic wrap-up session where we'll revisit the best moments from today's discussions and uncover the most important takeaways. From identifying key resources to conducting gap analysis and beyond. We will recap what we've learned and how to turn it into action.

Presenters: **Stephanie Insinna-Sahondo**, *WAP Director, Colorado Energy Office*; **Britt Pomush**, *Senior Public Affairs Specialist, NASCSP*; **Keli Reynolds**, *Assistant Director, Single Family Programs, Kentucky Housing Corporation*
