State Administration – Module 1

Note: The reporting timeframes for all information in the state administration module is based on the **FEDERAL FISCAL YEAR**, which runs from October 1 of a given calendar year until September 30 of the following calendar year. When completing the annual report, respondents will first indicate the Federal Fiscal Year for which the state is submitting data. The On-Line Data Collection system (OLDC) will then pre-populate the *State Administration* module with information from the appropriate year (year 1 or year 2, as applicable) in the accepted CSBG State Plan. States will be able to update information in these sections, as necessary.

Prior Year Target	Most Recent American Customer Satisfaction Index Survey Result	Future Target
<i>This auto-populates from the CSBG State Plan 3.5</i>		

Instructional Note: Because the CSBG State Plan may cover two fiscal years, annual updates related to CSBG eligible entity satisfaction should be provided in this annual report. The state's target score will indicate improvement or maintenance of the state's Overall Satisfaction score from the most recent American Customer Survey Index (ACSI) survey of the state's CSBG eligible entities. States that did not receive ACSI scores (i.e. states with only a single CSBG eligible entity) should not complete B.2, but should provide narrative descriptions of other sources of customer feedback and the state's response to that feedback in question B.3. For more information on the ACSI and establishment of targets, see CSBG Information Memorandum #150 Use of the American Customer Satisfaction Index (ACSI) to improve Network Effectiveness.

- B.3. CSBG Eligible Entity Feedback and Involvement:** How has the state considered feedback from CSBG eligible entities, OCS, public hearings, and other sources, and/or customer satisfaction surveys such as the American Customer Satisfaction Index (ACSI)? What actions have been taken as a result of this feedback?
- B.4. State Management Accomplishment:** Describe what you consider to be the top management accomplishment achieved by your state CSBG office during the reporting year (FFY). Provide examples of how administrative or leadership actions led to improvements in efficiency, accountability, or quality of services and strategies.

Section C: CSBG Eligible Entity Update

- C.1. Changes to Eligible Entities:** The table below includes a list of CSBG eligible entities receiving 90 percent funds within the state, as reported within the CSBG State Plan for this reporting period.

If the eligible entity was designated or re-designated, de-designated or voluntarily relinquished, or merged with another eligible entity(ies), provide additional details in the next submission of the CSBG State Plan.

CSBG Eligible Entity	Geographical Area Served (by county)	Public or Nonprofit	Type of Entity	A change occurred during the reporting period (FFY)	Briefly describe changes
[Read-only]	[Read-only]	[Read-only]	[Read-only]	<input type="radio"/> Yes, please describe <input type="radio"/> No <input type="radio"/> Designated or re-designated <input type="radio"/> De-designated or voluntarily relinquished <input type="radio"/> Merged	

Instructional Note: Limited Purpose Agency refers to a CSBG eligible entity that was designated as a limited purpose agency under Title II of the Economic Opportunity Act of 1964 for the fiscal year 1981, that served the general purposes of a community action agency under Title II of the Economic Opportunity Act as a result of failure to comply with that Act; and has not lost its designation as a CSBG eligible entity under the CSBG Act.

Instructional Note: 90 percent funds are the funds a state provides to eligible entities to carry out the purposes of the CSBG Act, as described under Section 675C of the CSBG Act. A state must provide “no less than 90 percent” of their CSBG allocation, under Section 675B, to the eligible entities.

- C.2.** Total number of CSBG Eligible Entities:

The specific state process should be described in this narrative.

This table must be based on actual dollars allocated, obligated to, and expended (liquidated) for each CSBG eligible entity during the FFY. For each CSBG eligible entity receiving CSBG funds, provide the Funding Amount allocated to the CSBG eligible entity during the FFY.

Note: The Amount Allocated and the Amount Obligated are going to be an exact match the majority of the time. Amounts expended (liquidated) should reflect actual payments made to eligible entities.

E.7. Describe how the state used remainder/discretionary funds in the table below.

Instructional Note: This table in the administrative report must be based on actual dollars obligated to each budget category using funds awarded in this federal fiscal year. States that do not have remainder/discretionary funds will not complete this item. If a funded activity fits under more than one category in the table, allocate the funds among the categories.

For example, if the state provides funds under a contract with the state Community Action Association to provide T/TA to CSBG eligible entities and to create a statewide data system, the funds for that contract should be allocated appropriately between Row a and Row c. If an allocation is not possible, the state may allocate the funds to the main category with which the activity is associated.

Note: This information is associated with State Accountability Measures 3Sa.

Community Level – Module 3

Note: The data collected in this module relates to **Goal 2: Communities where people with low incomes live are healthy and offer economic opportunity** and **Goal 3: People with low incomes are engaged and active in building opportunities in communities.**

Instructional Notes

Module 3, Section A: Community Initiative Status Form

Section A: Community Initiative Status Form is where CSBG Eligible Entities identify initiatives intended to achieve community level outcomes. This form provides a central place to report valuable information about a single community initiative that started, continued, or ended during the current reporting period. The information reported on the status form will be selected via a dropdown menu or written as a narrative.

Module 3, Section B: Community National Performance Indicators (NPIs) - Data Entry Form

Section B: Community NPIs Data Entry Form provides an opportunity for CSBG Eligible Entities to enter data for the community level outcomes reported in Section A, Line 14. Entities may select from the indicators outlined in this section, or create their own indicator if none of the provided indicators captures what the CSBG Eligible Entity is trying to achieve. To facilitate the reporting, use, and learning from Community NPIs the Annual Report provides two types of indicators (**Counts of Change** and **Rates of Change**).

The first way to report impact is the **Counts of Change** indicators. These are basic measures that provide the number of units being measured, e.g. jobs, houses, resources, etc. that have been added (created) or subtracted (eliminated), and in some cases maintained, in the community the CSBG Eligible Entity has targeted.

The second way to report impact is the **Rates of Change** indicators. While requiring a bit more information, these indicators tell the full story of the *magnitude of the impact* a community initiative (usually involving multiple organizations) has had in a community.

Module 3, Section C: Community Strategies List

Section C: Community Strategies List provides a basic identification of strategies, arranged by Domain and by topic area. The list cannot be all-inclusive; as such, an “other” category is included. This standardized list will aid in local and state analysis of the relationship between community-level strategies and outcomes.

Individual and Family Level – Module 4

Note: The data collected in this module relates to **Goal 1: Individuals and families with low incomes are stable and achieve economic security.**

Instructional Notes

Module 4, Section A: Individual and Family National Performance Indicators (NPIs) - Data Entry Form

Section A: Individual and Family NPIs Data Entry Form is comprised of indicators to report outcomes that fall under National Goal 1: Individuals and families with low incomes are stable and achieve economic security. The indicators are the vehicle by which CSBG Eligible Entities measure and report the outcomes they have achieved for individuals and families. All Individual and Family NPIs are **optional**, and there is a category for "Other Outcome Indicator".

Module 4, Section B: Individual and Family Services - Data Entry Form

Section B: Individual and Family Services Data Entry Form provides information on the work CSBG Eligible Entities did to help individuals and families achieve the outcomes listed in Section A. This standardized Individual and Family Services list will aid in analysis of the relationship between people, services, and outcomes.

Module 4, Section C: All Characteristics Report - Data Entry Form

Section C: The All Characteristics Report Data Entry Form collects data on all individuals and households, whether or not funded directly by CSBG. This demographic information strengthens the CSBG Annual Report by demonstrating who is being served by CSBG Eligible Entities.
